

# Nordic Leader Training

## Huddinge 23-25 September 2022

Dear scout friends in Indre Østfold, Lyngby, Vantaa and Huddinge  
welcome to Nordic Leader Training #NLT22SE

### Scouts having fun in the woods

As a scout you can do a lot of fun in the woods. During this weekend we will do different things as canoeing, swimming, hiking in an area where there was a fire a few years ago, playing games, making doughnuts (from scratch) and have time to talk to new and old Nordic scout friends.

**Location:** Gladö scout house is located near a lake, approximately 8 km from Huddinge. This house belongs to Huddinge scout group.

We will be sleeping in tents/windshields or if you want to bring your own hang hammocks - please bring "treehuggers". There will be some beds inside.

**Time:** 23-25 September.

We begin NLT the evening of 23/9 and finish after lunch of the 25/9.

There are only 20 participants per country so make sure to inform your Nordic representative that you want to go.

More information about Nordic Leader training and this event will come by email, Facebook <https://www.facebook.com/nordtreff.scout> and at the homepage of Nordtreff <http://www.nordtreff.org/>

We are looking forward to seeing you in  
September!
