# KNEBWORTH CLASSIC CAR SHOW 2024

## THE BANK HOLIDAY WEEKEND SAW BOTH THE KNEBWORTH CLASSIC CAR SHOW AND THE 65TH ANNIVERSARY OF THE MINI CO-INSIDE.

As a club we earmarked this as a show that we wanted to make a big impact for. Spread over the two days we had an extremely good turnout of cars on the stand for the public to come and enjoy.

As it was a special occasion for the mini we went the extra distance and produced

a few items to celebrate 65 years of the mini. There were balloons, bunting and banners around the stand to mark the occasion along with mini adorned cake on both days (Well it couldn't be the mini's birthday without cake!)

There was also a colouring station for the little ones to come and design their own mini. Alongside the biggest hit of the weekend being the Mini shaped photo opportunity prop. This proved very popular and drew visitors to our stand. As this is a very robust item it also means we will have it for future shows.

All these factors left the judges with an easy decision to award us with the Best Club Stand for the Sunday. The real testament to the club is that we managed to do the same on the Monday (something the judges themselves said they don't normally do!)

Alongside the Club award we are pleased to say that both Geoff and Tony picked up best car on stand awards on the Sunday and Monday respectively.

Congratulations to Geoff and Tony and to the club as a whole. What a way to celebrate 65 years of the Mini!

It was brilliant to see so many mini's on the stand (over 20 on the Monday) and a great chance to catch up with the members that attended.

## LITTLE GRANSDEN AIR & CAR SHOW

A few of our members made it over to the Little Gransden Air & Car Show on Sunday 25th August - It looks to be a great show with loads to do. It's a shame that it clashed with Knebworth as I'm sure we would have had more members interested in going otherwise. Definately one to look out for next year!

If you want to know more speak to Dave and Alice as its one they attended this year and have done so previously.
