A602'S AUTORAMA SHOW REPORT - 8TH SEPT

Mixed weather didn't deter the hardcore mini faithful. A wet start for this show soon brightened up. The weather did have a slight impact on the turnout but there was still a good number and variety of cars that made an appearance.

A wide variety of classic cars were on show (predominantly Hot-rods) but there's something for everyone in amongst the American muscle and hot-rods. The Autorama show is a yearly favourite in the A's Calendar.

The show has a few auto-jumble stalls and live music and was a great opportunity to catch up with like-minded local car enthusiasts.

Paul's 'Mini' Mini certainly gained a fair bit of attention on the stand.

HOUGHTON ROCKS

SHOW REPORT - 7TH SEPT

A few of our members made it over to the Houghton Rocks (including the Houghton Regis Car Show) on Saturday 7th September - It looked to be a great show with a mixture of live music, kids entertainment and of course the car show. A show that has been attended by A's Members for a number of years so again one to look out for next year and try to get more members to!

STANFORD HALL

SHOW REPORT - 15TH SEPT

MiniFest, held at Stanford Hall on the 15th of September 2024, was a fantastic show for Mini enthusiasts. Mini specialists along with a wide range of auto-jumble stands provided opportunities for those seeking rare parts. The live arena attracted crowds with its sound-off competitions. The competition heated up for the second leg of the BMC Premier Concours. The A's were amongst mini clubs from around the country who gathered to enjoy a day of Mini fun with friends.
