Consulting on studying and education
of children**

BAföG

Students who live in a household with children up to the age of 14 are entitled to BAföG:

allowances on the income and assets of the trainee

allowances on the income of the spouse

Childcare supplement

Support beyond the maximum duration of support

On application, a childcare supplement is paid for children living in the household. The surcharge is granted as a lump sum. The requirement rate increases by € 140 for each child.

If the study is delayed due to child care, a subsidy beyond the maximum duration of subsidy and an extension of the deadline for the certificate of achievement according to § 48 BAföG (form 5) can be applied for. The extension periods depend on the age of the children.

Payment beyond the maximum funding period is made as a full grant; this part of the grant does not have to be repaid pro rata.

Please contact the advisory service with any questions. The counselling is subject to confidentiality.

Academic achievements

Within the framework of equal opportunities, parents of children under 14 years of age can apply for compensation for disadvantages in the case of study and examination achievements.

At the Europa-Universität, parents who are studying can register for seminars, among other things. Leave of absence can be applied for during parental leave. It should be noted that it is not possible to complete any course work during the semester of leave.

Information of the EUF about studies and family can be found on the homepage of the university on page no. 13329.

If you have questions about studying with a child, please use the counselling service. The counselling is subject to confidentiality.
