

action towards inclusion

2020 impact report

Action Towards Inclusion is an inspiring programme that aims to support people into employment and training across York, North Yorkshire and the East Riding.

This £11m programme is managed by Your Consortium and delivered by a network of Keyworker and Intervention Partners. The programme is funded by the European Social Fund and National Lottery Community Fund.

This brief information sheet outlines the headline figures for the programme through the challenging year of 2020. We want to celebrate the programme's impact on people's lives and want to say a big thank you to our delivery partnership.

Overall Participation

Number of participants accessing the programme:	2359
Participants moving into employment:	516
Participants into education or training:	511
Participants supported in Job Searches:	264

2020 Participation

Number of participants accessing the programme in 2020:	778
Participants moving into employment:	51
Participants into education or training:	66
Participants supported in Job Searches:	27

Jill's Story...

Jill's incredible journey from the depths of despair and dependency to self employment.

Her turnaround is remarkable and made possible through the help of Carole, a key worker on the Action Towards Inclusion programme from Humber and Wolds Rural Action.

You can see a short video featuring Jill telling her inspirational story here:
