

Dear dancer,

Get ready to step into the rhythm of the Copenhagen Balboa Weekend Spring 2024 - we're eager to share some memorable moments on the dance floor with you!

For the CBW Spring 2024, we've secured the expertise of dance maestros Gloria Garcia & Jon Kay, and Amy Lu & Alex Lieu. Plus, we've got a couple of tasters lined up just for you – don't miss out!

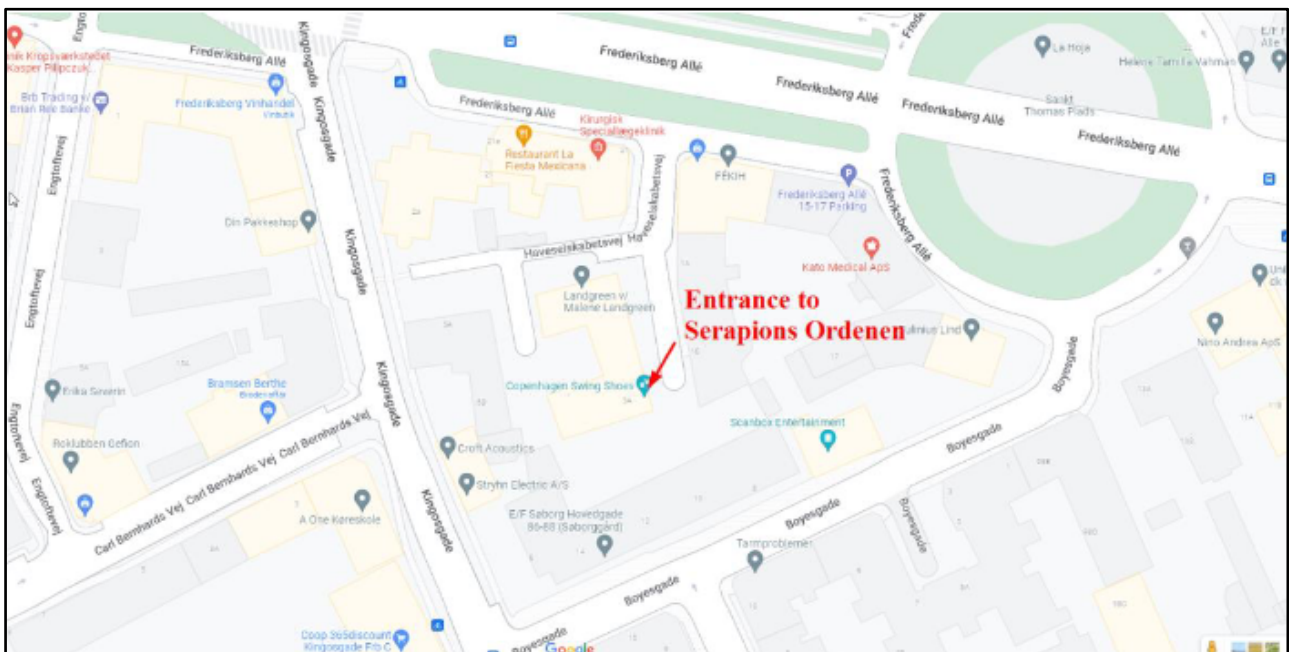

For the parties there'll be live bands to get your feet moving on Friday, Saturday, and Sunday – Josefin Björk Verner, Flying Jazzman Quintet and Madame Machine. And awesome DJs to keep you dancing during band breaks! Please note that the band will be playing upstairs, while the DJ will entertain us downstairs, so expect a little extra exercise 😊

Taxi dancers will be around to make sure that beginner dancers feel welcome and included – they will be wearing a light green Ministry of Balboa badge. Come and grab a badge at the entrance if you too would like to volunteer as a taxi dancer for an hour or two!

When you want a break, you can hang out in the lounge area and bar. It's all about cards and mobile pay, so leave the cash for your next vintage shopping spree. And please be climate friendly and bring a drinking bottle during the day!

All this magic – all classes and all parties - unfolds at the quaint House of the Serapion Order, located at Haveselskabetsvej 3B in central Copenhagen. Metro and busses stop nearby:
