A WELCOME TO BARNLSLEY

As Chairman of the Council's Amenity Services Committee, I am delighted to welcome so many competitors and visitors to Barnsley today for the 9th annual Barnsley '6' Road Race.

There is no doubt that the race has now become an established feature of the national road running calendar, and we firmly believe that it will go from strength to strength.

J. C. Stanley
Chairman
Amenity Services Committee

Message from the Chairman of S.Y.C.C. Recreation, Culture and Health Committee

The continuing explosion in road-racing and marathons is a healthy counter to those who would claim that the occupations of the British reflect bitterness about our economic conditions.

Rarely do so many enjoy themselves so much for so little.

Barnsley was one of the first and is certainly one of the best; South Yorkshire County Council is very pleased to be associated with the Barnsley Six and wishes it every success in 1982 and the future.

J. Brown
Chairman,
Recreation, Culture and Health
Committee S.Y.C.C.

ADDRESS BY PAUL SYKES (President Barnsley Road Runners Club)

Thank you, once again, for turning out to support all the runners in the Barnsley Six; ranging from young boys to pensioners; from amateur fun-runners to top class international athletes; from local housewives to national stars.

It gives me a great deal of pleasure to be involved in this event which breaks down all barriers, and encourages such a cross-section of entrants, who return year after year, as well as new competitors who are always welcome.

Thanks are also due to all the organisers and sponsors, and especially to the Police, who keep all the runners safe, at least from the traffic, although they often fall victim to their own over-enthusiasm. If this happens, the St. John's Ambulance Brigade help out, and they deserve our thanks for all they have done in the past, and while we hope they will not be needed this year, it is good to know they are there.

Please continue to give all the competitors your support; it is appreciated so much, and can often make the difference between finishing or not. This great road race can be a very hard uphill struggle, especially in Old Mill Lane, and without your applause and encouragement, for some it would be impossible.

This year I know I will finish at the front for once, as I will be riding on the open top double decker! Unfortunately, my business commitments recently have not left me with sufficient time to train, and I will be watching the runners with envy. At least I will still be able to share with you all the excitement of watching what I believe to be the greatest spectacle in Barnsley's sporting calendar.
