

## **Directions from Faro Airport to Dom Pedro Marina Hotel, Vilamoura**

Exit the car park and following the one-way system go to the roundabout and turn right. Signed N125-10 Faro A22

Stay on this road until you see a sign for a right turn IC4, Loulé, A22, ESPANHA, Portimão also signed for Lisboa and Albufeira. This exit will take you almost full circle onto the IC4/N125 below.

Stay on IC4/N125 Until you see an exit to the right signed N125 Portimão, Albufeira, take this exit. Do not follow any signs for A22 as this is a toll road. This exit slip road goes up and over the road you have just left, you are now on the N125.

You will come a roundabout with an overpass, go straight ahead following N125 Portimão, Albufeira.

At the next roundabout, again carry straight on as before. There are approximately another 7 new roundabouts on this road, but just keep going straight ahead on the N125.

Watch out for the garden centre on the left, "VIPLANT, Algarve Garden"

You will then come to a roundabout with a left turn to Vilamoura, take this left exit.

You will go up a tree lined avenue, (beware the speed limit is 50kmh here) and through two stone pillars with signs VILAMOURA PORTUGAL. You are on Avenida Vilamoura XXI

Continue straight across three roundabouts and onto the dual carriageway.

Stay on the dual carriageway until the road splits as you come into the built-up area. Stay in the right-hand lane and bear right.

Keep going until you get to a T junction where you must turn right onto the one-way system. There is a McDonalds on the other side of the road as you turn this corner. This is Avenida da Marina.

Follow this road until there is a 90-degree left hand bend just after TIVOLI Marina Villamora Hotel.

The Dom Pedro Marina is now on your left. It is a sandy orange colour and there is a carpark behind the hotel up a ramp.

Beware, the parking on all streets is pay and display.

**Total distance is approximately 28km**
