

## BASEBALL SASKATOON COVID-19 RETURN TO TRAIN/PLAY

### HEALTH AND SAFETY COORDINATOR CHECKLIST

This checklist has been created to help you, as a Health and Safety Coordinator, stay within the guidelines of Baseball Saskatoon's Return to Train/Play for practices, tryouts, camps, clinics, games and training sessions for 2020

#### PRE-SEASON TASKS:

- Become familiar with Baseball Sask's Return to Play & Train guidelines.
- Obtain the information package from your team's coach or association regarding protocol at the ball park
- Liaise with your local association regarding the collection of supplies needed
- Ensure that you, or a defined alternate will attend each session
- In conjunction with the coach, use the parent meeting prior to the season to educate families of the Return to Play & Train Guidelines.

#### SEASON TASKS:

- Remind all participants at each session of the restrictions, such as:
  - o Social Distancing
  - o No sharing of equipment or personal items
  - o No spitting, chewing gum, or eating sunflower seeds, etc.
  - o No handshakes or high fives
  - o No using saliva to moisten fingers
- Monitor arrival and departures to avoid large group gatherings
- Ensure that no more than 30 fans from your team attend each game, politely ask fans to disperse large groups
- Ensure signage is noticeable at the Ballpark.
- Ensure that all viewing areas and dugouts are clearly defined for Social Distancing (6 ft)
- Ensure that Hand Sanitizer and Disinfecting Supplies are prepared and ready for use
- Ensure that only the scheduled team is using the facility
- Liaise with Ballpark Staff if present
- Monitor hand sanitizing and equipment disinfecting
- In conjunction with the coaches, monitor participants adherence to the restrictions and ensure extra hand sanitizing is completed when necessary
- If any persons who are noticeably and consistently NOT following restrictions, ask them to leave the Ballpark immediately
- Ensure all baseballs and bases are disinfected after each session
- Ensure that your team sanitizes the player dugouts before and after each practice, as well as after your games if there is another game that follows your game.
- Notify Baseball Saskatoon immediately if anyone associated with your team becomes infected with COVID-19 and provide Baseball Saskatoon with your attendance records.

**Thank you for your dedication and cooperation. Have a great summer of baseball!**
