Saskatoon To Host National Baseball Championship

June 27, 2022

Saskatoon's reputation as a national sporting powerhouse will once again be in the spotlight as the best 15U AAA baseball teams in the country will battle for the 2022 Ray Carter Cup.

The championship will be held August 23-28 at Nutana Kiwanis Park. The baseball complex recently underwent a multimillion-dollar upgrade and features artificial turf, lighting, batting cages and hitting turtles.

Tournament Chair Scott Thomas says "Saskatoon is excited to host this national event. We have a great facility for the players and fans. It is sure to be a great championship!"
