

NUTANA PARK FOOTWEAR REQUIREMENTS

Nutana Baseball Park received a major renovation in 2019. The park looks great and we at Baseball Saskatoon want to ensure that the park remains that way for many years to come for the upcoming players.

As part of our plan, we have placed requirements on footwear worn on our artificial turf field (Nutana Bob Bessel Field):

- Metal (15U & above) cleats may be worn on the infields and outfields of Nutana Jim Baba Field, Volunteer Field & Memorial Field, and may not be worn anywhere on Bob Bessel Field.
- Only running shoes or turf shoes may be worn on Nutana Bob Bessel artificial turf field.
- Molded cleats may be worn anywhere on Nutana Jim Baba Field, Volunteer Field and Memorial Field (including portable mound), on the infield and outfield of Bob Bessel Field, but not on the portable mound on Bob Bessel Field.

Molded cleats allowed on Jim Baba, Volunteer & Memorial Fields, not allowed on portable mound of Bob Bessel Field, example:

Metal cleats allowed on Jim Baba, Volunteer & Memorial Fields infields and outfields, not allowed on Memorial Field portable mound or anywhere on Bob Bessel Field, example:
