RECRUITMENT SERVICES

BATTERY TECH RECRUITMENT

■ Contingency Search

- We promote the position via our networks and pro-actively search for a candidate based on a comprehensive job description – no placement no fee

■ Exclusive Contingency Search

- You work solely with us and no other agency on a position and we agree and commit to set dates – no placement no fee

■ Retained Search

- We work with you exclusively on a position - agree to set time lines and report back weekly on progress. This is typically for senior level roles – 1/3 of the placement fee is paid up front

FEES

BATTERY TECH RECRUITMENT

■ Contingency Search

- 18% of the candidate's first year basic salary. No placement, no fee

■ Exclusive Contingency Search

- 18% of the candidate's first year basic salary. No placement, no fee

■ Retained Search

- 22% of the candidate's first year basic salary. 1/3 of the fee paid upfront
