

Alternative Nordic Noir in a constant flow of unfiltered expression and authentic vibes, penetrating your body & soul and compelling you to join the ride to sail the emotional landscapes of your mind. From the deepest roots of American music traditions to the beautiful Nordic Blue tone. You feel placed into the wide open spaces and the swamps' heavy melancholy. Suddenly, The fiercest love sneaks from roots of your human soul and into your heart. And through Bechmann's powerful vocal, these heartfelt and quite authentic songs will please, and leave you in a space of meaning amidst their abstract expression. Sidenius's ingenious, calm, and deep rhythms support Bechmann's colossally expressive guitar, creating their own unique sound of Alternative Nordic Noir, a format that is very rarely found.
