

Bloody Dice is a dynamic and energetic rock band that has been captivating audiences with their powerful sound and compelling performances. With their unique blend of raw emotion, back to the roots approach, catchy melodies, slightly bluesy and hard-hitting riffs, Bloody Dice has established themselves as a force to be reckoned with in the music scene.

Their music seamlessly combines elements of alternative rock, grunge, and post-punk, resulting in a sonic experience that is intense, introspective, and highly engaging and sounding like rock must be played.

Known for their electrifying live shows, Bloody Dice delivers a captivating performance every time they take the stage. The band's charismatic frontperson, Dagfinn Joensen, possesses a commanding stage presence, while the rest of the band members showcase their exceptional musicianship and tight-knit chemistry. Their energetic performances and genuine passion for

their craft leave a lasting impression on audiences, making each show an unforgettable experience.

Bloody Dice's discography includes the self-titled debut album from 2023, which have garnered critical acclaim. Their songs explore a range of themes, from personal struggles to social commentary, often delving into the depths of human emotions. With their thought-provoking lyrics and powerful melodies, Bloody Dice's music resonates with listeners on a deep level.

For promoters looking to book an electrifying and crowd-pleasing act, Bloody Dice is the ideal choice. With their talent, passion, and unwavering dedication to their craft, Bloody Dice guarantees an unforgettable live performance that will leave audiences craving more.

Bloody Dice are now working on new songs together with producer Flemming Rasmussen of Sweet Silence Studios in Copenhagen, who is known for his perfectionism, reputation and work with Metallica, Rainbow and others.
