

DEDICATED TO PROVIDING YOU WITH AN EFFICIENT
AND COMPETENT LIVE-IN CARE SERVICE.

About Us

Our service is anchored on extensively experienced Mental Health Professionals for its leadership, with shared background in Forensic, Acute In-Patient, Rehabilitation, Learning Disabilities and Domiciliary Care. We're constantly evolving to better meet your needs which is why our live-in carers can even accompany you or your loved ones to family functions, organise diaries or take you away for a weekend break.

We always aim to deliver high quality standards of care, support and accommodation to vulnerable adults and young people within our community. Our care is focused on keeping you comfortably in your home for as long as possible, awarding you with the independence you need to maintain more fulfilled days.

Our Aims

To promote Dignity, respect, and compassion at the end of life. To provide the best possible care and quality of life for people aged 18 and over who have been diagnosed with a life-limiting condition or are living with terminal illnesses.

To ensure that people's wishes are met, and they can be cared for in their preferred place of care wherever possible. To work with your Recommended Summary Plan for Emergency Care and Treatment. (RESPECT Form) To work in collaboration with your multidisciplinary team

When matching clients to potential carers, we consider:

- Your care needs, do you need someone with more experience in manual handling for example
- Location, where possible, we will always send you a carer local to you
- Interests, do you both love cooking, gardening, and pets?
- Other requirements, such as do you have a busy social calendar and need someone who can get you to your appointments on time?

We pay attention to the smallest of details because often, these will make the biggest difference.

Perfect client-to-carer matches

We provide live-in care. We have been providing essential companionship, comfort, and compassion to those who need extra care in their own homes. We're here to support you with the home care you need, whether that be dementia care, help with household tasks or preparing freshly cooked meals. We ensure a healthy, happy life with choice and independence.

We strive to achieve the perfect client-to carer match. With many years of experience, we're well-versed in a wide range of home care services. Starting from respite care for those who require a little bit of time off, to continuous long-term care and support in the home.

Whatever the situation, there's a good chance that we've come across it before. Our carers are experts in providing bespoke and individual private home care and support. Just as clients have different needs, our carers have different skills to offer.

Live-In Care

Do you find it hard to fit in in new environments and often desire more individualistic care and support? Private live-in care might just be what you need, so as to receive private care in your very own home, without mandatory sharing required. To find out more about private live-in, give us a call or simply fill in the form and claim your 20 minutes FREE Consultation.

Who can benefit from Private live-in care?

- A highly delicate situation with particular illnesses such as dementia which necessitates round-the-clock care 24 hours a day.
- Short-term care to help you recuperate from a recent surgery.
- In the event of an unintentional condition or a sudden disease, emergency care should be provided.
- End-of-life care to ensure that you enjoy every moment of your life and leave no regrets behind.

Private live in care is the ultimate option if you desire care in the comfort of your home 24 hours a day and seven days a week. This option is available on both long term and short term (respite) basis. This option provides you with constant company and ensures that you have assistance whenever you need it. Assistance includes medication management, personal care, hoisting, household chores, or meal preparation.

It is the priority of our live-in carers to lend a helping hand when you need it the most. Furthermore, your carer's attention is solely on you and/or your loved one. Our carers value integrity and have extensive experience providing professional private care for the individuals in their own homes, making a significant difference in the lives of those they assist.

Our live-in care services are priced accordingly.

A Breakthru Care, we understand that cost is a major consideration when considering live-in care for yourself or a loved one. That's why we've always been open about how much live-in care costs.

Our live-in care staff are highly trained and experienced to assist you or your loved one with a wide range of requirements. As a result, our fees differ depending on your individual requirements and the level of care and support you require.

Depending on the level of care and support you require, our live-in care services start from **£1,160 per week**.

This fee is all-inclusive, and it includes chores that a care worker would not normally handle, such as accompanying you on outings, light gardening duties, and taking care of your pets etc.

Breakthru Care Ltd, our good reputation stems from our holistic, high-quality, and person-centred approach to live-in care. You have complete control and choice over your care, allowing it to meet your lifestyle, preferences, and dislikes.

Our Team of Care Assessors are available to come to your house and conduct a free, no-obligation assessment to provide you with an accurate price for your care. Simply fill out the form we will do the rest!

Live-in care for couples

We also provide a live-in care for couples service, which starts at **£1,487 a week** and supports couples in their own homes. This makes live-in care less expensive than a couple moving into a care facility and paying for two rooms. It also means that partners don't have to be separated and can remain at home while receiving the care they require.

The cost of live-in care services is established after a free, no-obligation assessment of your specific needs. For quick guide please schedule a complimentary 20-minute consultation with the Registered Manager.

Otherwise, our Care Assessors are available to come to your house and conduct a free, no-obligation assessment in order to provide you with an accurate price for your care. Simply fill out the form we will do the rest!
