

SCHOOL OF MAGIC
ACCEPTANCE LETTER

From the headmaster of the School of Magic

Dear builder,

We are pleased to inform you that you have a place at the School of Magic. Please find enclosed all elements to build necessary dress (robe, scarf, hat) and equipment (magical creatures, wand, potions, broomstick et cetera).

Terms begin on 8 November 2025.

Yours sincerely,

Voorwoord

Gefeliciteerd met je Bricks-and-More set 2025. Met een klein beetje magie verander je deze elementen in je eigen unieke tovenaar.

Dit boek helpt je alvast op weg, maar nodigt je vooral ook uit om je tovenaar helemaal naar eigen inzicht te bouwen.

Als je dit boek uit hebt zijn er nog heel veel elementen over. Maar we weten zeker dat ook die in jouw handen op magische wijze in iets prachtigs zullen veranderen.

Foreword

Congratulations on your Bricks-and-More set 2025. With a little magic, you can transform these elements into your own unique wizard.

This book will help you get started, but above all, it invites you to build your wizard entirely according to your own vision.

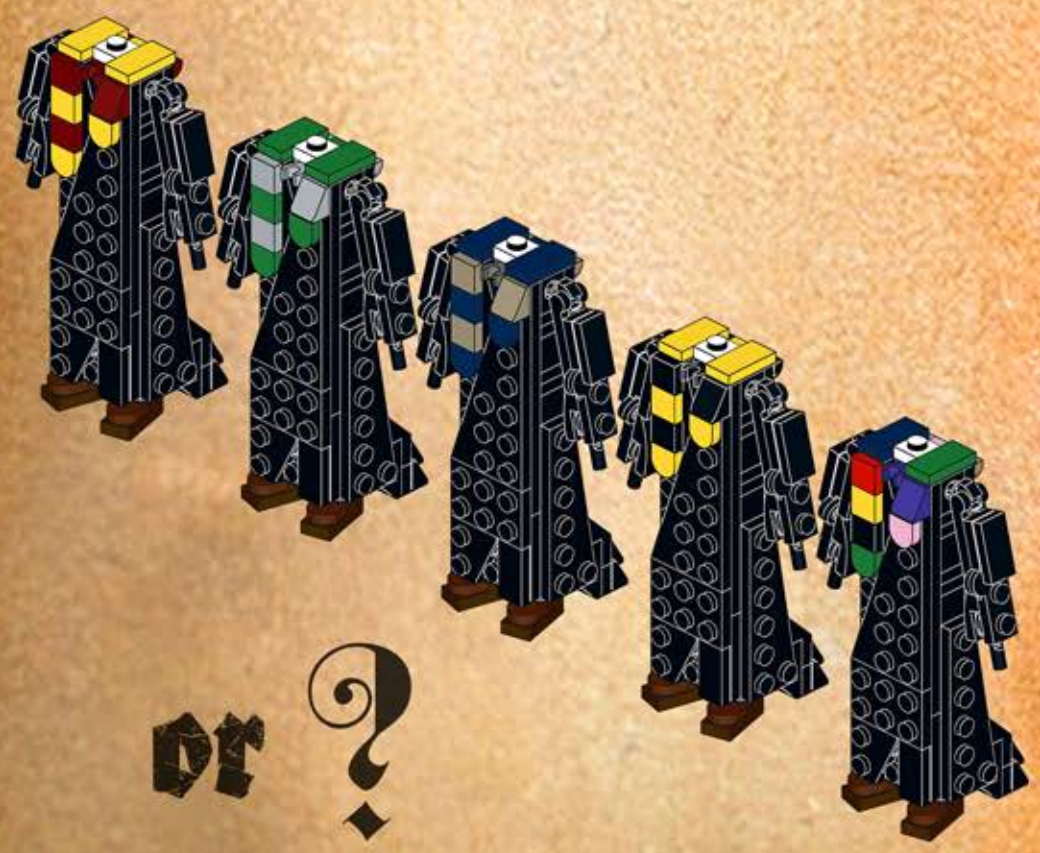

After finishing this book there will still be many elements left. But we're sure that even these will magically transform into something beautiful in your hands.
