

Onyxia

SIZE: 9 cm (13 cm with Catona, 3.0 mm hook)

YARN: Scheepjes Sweet Treat

HOOK: 1.75 mm

ACCESSORIES: Scissor and a needle.

STITCHES USED (US)

ch - chain

sc - single crochet

slst - slip stitch

st/sts - stitch/stitches

chsp - chain space

dc - double crochet

spst - spike stitch; dc that is made two rows below

dc2tog - double crochet 2 together in the same chsp/st

fpsc - front post single crochet. To make a front post stitch, you'll insert your hook from the **front to back** and work around the post of the stitch. Complete the stitch as normal.

bpdc - back post double crochet. To make a backpost stitch, you'll insert your hook from the **back to front** and work around the post of the stitch. Complete the stitch as normal.

picot - ch3, slst in first ch

GOOD TO KNOW

Start the round with a standing stitch or with chains.

Total number of stitches between (-) at the end of the rounds.

Close each round with slst in first st or with and invisible join.
