Owner/ Occupier

5th November 2019

Your reference: • Our reference: C4004 Cold Fell - Drainage Improvements

Dear Sir or Madam

**C4004 COLD FELL
DRAINAGE IMPROVEMENT WORKS
INFORMATION SHEET**

Cumbria County Council will be carrying out drainage improvement works on the C4004 Cold Fell, which will commence on Monday 11th November 2019 for a period of up to 5 days (subject to prevailing weather conditions and site conditions).

The works will be carried out under an official road closure. A signed diversion route will be in operation during the works.

Access for residents and businesses will be maintained where possible during the works (please liaise with our staff on site who will advise as the works progress). Access through the closure for pedestrians and dismounted cyclists will be maintained at all times during the works.

Should you have any special access requirements, or you require any further information at this time please contact Cumbria County Council Highways Department on 0300 3032992.

When calling please state the call is concerning;

“C4004 Cold Fell – Drainage Improvements”

Cumbria County Council apologise for any inconvenience caused by these essential maintenance works.

Yours faithfully

Craig McCarron
Highways Network Officer
