

Village Hall Playing Field

The Hall Committee have had the playing equipment in the field inspected to ensure it is safe to use before reopening the Playing Field. We will continue to inspect the equipment but it will not be sanitised or disinfected. We now rely on you to use the field in a CV19 compliant manner, to keep both you and others safe, by following these mandatory rules:

- **DO NOT USE THIS FIELD IF YOU ARE SELF ISOLATING OR ANYONE IN YOUR FAMILY/ "BUBBLE" ARE SHOWING SYMPTOMS OF CV19**
- STAY ALERT AND FOLLOW GOOD CV 19 HYGIENE PRACTICES e.g. AVOID TOUCHING YOUR FACE
- **MAINTAIN CURRENT SOCIAL DISTANCING RULES - IF IN DOUBT STAY 2M AWAY FROM OTHERS**
- SUPERVISE YOUNG CHILDREN AT ALL TIMES AND ENCOURAGE THEM TO FOLLOW THESE GUIDELINES
- **USE HAND SANITISER FREQUENTLY ESPECIALLY WHEN ENTERING AND LEAVING THE PLAYING FIELD**
- CONSIDER WIPING TOUCH POINTS ON THE EQUIPMENT BEFORE AND AFTER USING IT.
- **NO EATING OR DRINKING IN THE PLAYING FIELD.**
- TAKE ALL YOUR LITTER HOME - OUR BINS ARE NOT IN USE.
- **IF YOU'VE BROUGHT A DOG CLEAN UP AFTER IT. THERE IS A BIN IN THE CAR PARK FOR BAG DISPOSAL**

If people follow these rules the community can use the playing field safely. If people don't follow them we will be left with no alternative but to close the playing field.
