

**A BRIGHTER FUTURE**

# A BRIGHTER FUTURE

is the hope of any parent/carer for their child. The secondary school that you choose is one of the most important decisions you will have to make to ensure your child's future

We want to share with our community and prospective pupils and parents our recent Estyn inspection to showcase the tremendous strides and achievements we have made in becoming a 21st Century School with 'A Bright Future'.

# THE BEST FROM EACH

We want to be the best school for your child and we will work tirelessly to ensure that this is the case. We provide every child who enters into our school community a better educational experience than they could hope for in any other school.

Cantonian High School aims to become a school that provides consistently high-quality teaching and learning experiences as part of a self-improving school system. To achieve this, we have pledged to invest in our most valuable resource; our staff, to ensure they have access to the highest quality professional development on offer. Our recent inspection outcome shows that the hard work of our staff and pupils has ensured that Cantonian High School is a first choice school for future generations in our community.

# DREAM, BELIEVE, ACHIEVE

We offer pupils a broad and appropriate curriculum, with a wide range of both academic and vocational courses designed to cater for all abilities and meet their individual needs whilst preparing them for life beyond school.

We ensure that all our pupils are prepared well for university, further education and/or the world of work. They receive high-quality teaching and their form tutors provide them with effective academic guidance and pastoral support.

As part of Cardiff Council's Band B 21st Century Schools programme, Cantonian is looking forward to a new educational campus on our current site. This new building will project us even further as a forward thinking school for the future.

I hope this brochure showcases just some of the excellent comments from our Estyn inspection report and gives you an insight into the remarkable journey of Cantonian High School to become the most improved school in Cardiff.

The full Estyn report is available on our school website.

The results I have achieved in my GCSE and A levels have allowed me to study for a law degree.
