Headteacher/Pennaeth: Mrs D Gill

17 July 2020

Dear Parents/Carers

EXAM RESULTS DAYS

I am writing to remind you that this year's exam results will be released on the following dates:

Years 12 & 13 A/AS level and equivalent results: 13th August 2020, 9am - 11am

Years 10 & 11 GCSE results: 20th August 2020, 9am - 12pm

Arrangements for pupils receiving their results

Year 11, 12 and 13 pupils are invited to attend school to collect their results on their results day. However the results for Year 10 will be sent home via post on 20th August. Year 10 pupils are not permitted on site to collect their results in person.

Exams results will be available for collection from Neuadd Davies. Year 11, 12 and 13 pupils must enter the site via the main gate where they must follow the signs and enter the school via Reception. Due to social distancing requirements and to reduce the risk of transmission of Covid-19, all pupils must adhere to the one-way system and form a queuing system keeping 2 metres apart at all times. There will be hand sanitising stations for use on arrival and exit to the school buildings.

Following the collection of results, key staff, including the Senior Leadership Team and Heads of Year will be available, alongside representatives from Careers Wales and the Youth Service, to provide any advice required.

We can release results only to the individual pupil, unless they provide a signed letter of authority asking us to release them to a third party.

We will write to you again to let you know when the certificates are available for collection from school. These may be needed as proof of qualifications when applying for employment or Further Education. The Statement of Results that is issued on results day is not proof of qualifications; the original certificates are the proof and could be requested at any point in a career.

Yours sincerely

MRS D GILL
Headteacher

A BRIGHTER FUTURE
