23 March 2022

Dear Parents/Carers

## Initial Design Images of New School Building

I am pleased to be able to share some exciting images of the new school build with you. The local authority has released images of the possible design of the new school building which I wanted to take the opportunity to share with you directly.

I will continue to provide you with updates of this exciting new build once the information is available to the public.

Yours sincerely

MRS D GILL

Executive Headteacher

A BRIGHTER FUTURE
