STAFFING SOLUTIONS

TEMPORARY STAFFING

We provide a continuous supply of high-quality staff to meet the fluctuating needs of our clients, who include NHS Trusts, Health Boards, and private health and care providers. We are authorised members of all of the major temporary staffing frameworks, so we can do this.

We provide our clients with a substantial number of highly skilled healthcare specialists. Our platinum compliance standards are backed up by a network of resource specialists in the United Kingdom who can be reached 24 hours a day, seven days a week.

Our clients really value our independent service. It ensures that any concerns regarding the safety of staff members and communication issues are monitored, resolved, and documented in a form that can be inspected and is accessible to the public.

PERMANENT STAFFING

Care Connex offers individualised pricing since we hire trustworthy permanent personnel that give high-quality healthcare. This commitment helps us satisfy your requirements.

Our talented and experienced staff always exceeds expectations while retaining compassion, respect, and decency. We know how rotas affect your department's expenditures and budgets.

Our goal is to meet the needs of small and large suppliers. Our staff is focused on solving permanent healthcare recruiting challenges. Providing vital support on key occasions has helped us grow as a company.

Our team of specialists is always available to give individualised healthcare advice. We're a team of experts that can always give high-quality services.

BUSINESSES**

WHY WE FEEL YOU SHOULD WORK WITH US?

Exceptional Service

With platinum compliance standards and 24/7 assistance from a network of resourcing professionals across the UK, we have a highly-skilled, seasoned recruiting team to offer high volumes of excellent healthcare personnel. Because our team knows everything there is to know about the medical recruiting business, we can provide effective solutions to the problems that everyone involved in finding temporary workers faces

Accountability

Care Connex is highly recommended within our industry, in part due to our stringent safeguarding and screening procedures. We do a number of things to make sure that our clients know as much as possible about a candidate. For example, we make sure that they can legally work in the UK, that their qualifications and experience are valid, and that they have the skills and experience they need to do their job well and safely.

Customisable Support

Our skilled team is available to help you find the most qualified personnel to meet your needs. From choosing the ideal candidate to ensuring their compliance and scheduling their shifts, we will be by your side every step of the way. To do this, we use a specific resource model that gives you a dedicated recruiting manager who will help you as if they were a member of your team.

TO CANDIDATES

We will be there each and every step of the way.

Care Connex is a group of skilled recruiters with an in-depth grasp of the sector. We aim to make your life as simple as possible; therefore, we've simplified and streamlined our procedure so that you may easily land your ideal job.
