

The Danish Army 1932-1941 - The Cyclist Regiment, supplement

Introduction

You often have to be prepared to look for your information in the strangest places, but on the other hand it is probably reasonable to imagine that in a book about bicycles (Source 1) there is also something about the military use of bicycles.

The Cyclist Battalion

Cyklistkompagni paa Linie.
 (Frontbredde ca. 80 m, Dybde ca. 30 m).

Opstilling af et cyklistkompagni anno 1939.

Formation of a cyclist company, 1939.
 From Source 1.
