

CHAPELS ROYAL HAMPTON COURT & TOWER OF LONDON

Additional Safeguarding Procedure

Purpose of the procedure

The purpose of this procedure is to provide a framework for staff and volunteers within the Chapel Royal. It should be used in conjunction with Historic Royal Palaces (HRP) documents *Safeguarding Policy: Children and Young People*; *Safeguarding Policy: Vulnerable Adults* and *Safeguarding Procedures* for both categories.

The procedure details the steps the individuals and key persons are expected to take. The procedure is mandatory and must be followed.

Areas of responsibility

- **Everyone's responsibility:** safeguarding and protecting children and vulnerable adults from abuse and neglect is the responsibility of all staff and volunteers. This includes a responsibility to ensure they are informed and trained to an appropriate level.
- Staff and volunteers are expected to report and discuss any concerns to an HRP Designated Safeguarding Lead (DSL) without delay.

Recognition of signs and indicators of abuse

It is crucial to effective safeguarding that all staff and volunteers are able to recognise signs and indicators of abuse and this requires acceptance that disabled children are more likely to be abused than children without disabilities. See Appendix 3 of the HRP Safeguarding Procedures: Children & Young People for further information on indicators and signs of abuse and guidance on listening to children.

Raising a concern

Staff and volunteers will raise a concern by reporting directly and without delay (within 2 hours) to the HRP DSL for their site, or if unavailable any other DSL on the above list. Immediately after raising a concern, staff will also make a detailed written account of what they have seen, observed or heard using the **Safeguarding Report Form**.

Recording

Records should be accurate, factual and clear

Opinions, if expressed, should be recorded as such and distinguished from fact.

All subsequent actions/ events following the reporting of a concern should be recorded and attached to the original concern in chronological order.

Confidentiality and storage of safeguarding concerns

All Safeguarding Report Forms and paperwork relating to a Safeguarding Incident will be the responsibility of the DSL for the palace and stored securely on the HRP S Drive.

Responding to concerns that a child or vulnerable adult has been harmed or is at risk of harm by a stranger or member of the public, including abuse and neglect

All staff and volunteers are responsible for raising concerns about the behaviour, actions or attitude of a member of the public towards a child. If the initial fact finding concludes that there is a legitimate Safeguarding concern the matter will be reported to the Adult Social Care team, Children’s Services and the police where necessary.

Where the concern relates to a vulnerable adult, timely consideration must be given to the ability of the adult at risk to understand the concerns, and whether they have an ability to give consent to concerns being raised with other agencies.

Responding to concerns that a member of staff or volunteer may have abused a child

Staff and volunteers are responsible for raising concerns about colleagues; these concerns could be about: the behaviour, actions or attitude of a member of staff towards a child; inappropriate use of restraint; actions or behaviour towards a child outside of HRP, accessing or making use of inappropriate online data including child pornography. The concern could in fact be any that raise significant questions about their suitability to work with children. If the initial fact finding concludes that there is a legitimate Safeguarding concern the Local Authority Designated Officer (LADO) for the local authority in which the palace is based must be informed.

Where the concern relates to a vulnerable adult, timely consideration must be given to the ability of the adult at risk to understand the concerns, and whether they have an ability to give consent to concerns being raised with other agencies.

The procedures outlined for raising a concern, recording, storage and initial fact finding should be followed.

Raising a concern

Concerns should be reported without delay directly to the DSL for the site or, if unavailable, to any other HRP DSL.

Initial fact finding

Initial fact finding requires a high level of confidentiality. It should never involve asking a child or vulnerable adult to discuss the concerns or repeat a disclosure or allegation that has been made. Where the incident involves a member of staff the, Designated Safeguarding Lead, Safeguarding Sponsor or Chief Executive will conduct the fact finding exercise and will not delegate this responsibility.

Training and Implementing Safeguarding Policy and Procedures

The Chapel will ensure that the staff, volunteers and the public has access to the Chapel Royal and HRP policies and procedures and an understanding of the duty of HRP to inform Children's Services, Adult Social Care team or the Police if there are concerns about abuse. Staff and volunteers will have access to and will be expected to undergo the relevant training.

Standards of Behaviour for staff and volunteers

The following are expected behaviours of HRP staff, volunteers, and trustees:

Do

- Approach any vulnerable adult, child or young person who appears to be in distress and ask if you can help.
- Assure them that you are taking them seriously
- Question situations that you find suspicious.
- Look out for unaccompanied children/young people and follow the Hampton Court Palace or Tower of London Lost/Found Children procedure
- Avoid situations where you are likely to be in a one-to-one situation with a vulnerable adult/child/young person by remaining in a public area.
- Remember that the primary responsibility for care, safety and welfare rests with the child/young person's supervising adult.
- Report any allegation (even if it is just a suspicion) of abuse or inappropriate conduct immediately to an HRP Designated Safeguarding Lead.
- Always act appropriately, professionally and consider, '*How would my behaviour look to anyone else and can I justify my actions?*'

Do not

- Physically restrain a child or young person except in exceptional circumstances, e.g. to prevent injury, damage to property or collections or to prevent theft. In these circumstances minimum restraint should be used.
- Commit or attempt to commit any act which may endanger persons or property or which breaches any safety rule, organisation policy or legislation.
- Engage in any form of physical or verbal abuse, threatening behaviour or harassment on the organisation's premises or when working on the organisation's business off site.
- Provide personal telephone numbers/ contact details to any child/young person/vulnerable adult encountered through work.
- Communicate with any child encountered through work through social networking sites (with the exception of official or approved social network channels, e.g. HRP's Facebook page).
- Provide lifts in a personal vehicle to children, young people or vulnerable adults

- Put yourself in a position where you take on the role of being the individual with primary responsibility for the care, safety or welfare of a child, young person or vulnerable adult
- Do things of a personal nature for children/young people/vulnerable adults that they can do for themselves or their supervising adult can do for them, e.g. taking them to the toilet.
- Allow or engage in inappropriate touching of any kind. The main principles of touch are:
 - The desired touch should always be initiated by the child
 - Touch should always be appropriate to the age and stage of development of the child

Those who have harmed or might harm vulnerable children

It is the policy of the Church of England that all those who work or volunteer with children, young people or vulnerable adults have a Criminal Records check through the Disclosure and Barring Service (DBS) as the final part of the Safer Recruitment process and that all elements of this process must be satisfactorily completed before a person is allowed to commence working either as an employee or volunteer.

The DBS must be 'renewed' every 5 years. Where information is disclosed on the certificate (resulting in a 'blemished' disclosure), there will always be a risk assessment process carried out by the Diocesan Safeguarding Team that will be proportionate to the role and the information disclosed. The Freedom of Information Act, 2012 means that many old, minor or unrelated offences will no longer be disclosed as part of this process. Disclosures of past offences do not always mean that the person cannot be appointed to the proposed role.

As well as people with cautions and convictions against children there are others whose behaviour may be considered to pose a risk to children. A protocol for 'Managing Offenders' must be completed for all those with cautions or convictions relating to children. A 'Covenant of Care' agreement should be completed with those who may potentially present a risk to children, for example if they are the subject of police enquiries, even where they have not been arrested or charged with an offence. These agreements will put in place boundaries that will protect both vulnerable groups and the (alleged) offenders including provision for pastoral care.

These documents can be accessed via the Diocese of London Safeguarding Team who will be able to support you in drafting them and putting them in place. These agreements are reviewed regularly within the parish to ensure that they remain appropriate and are being adhered to. Any suggested changes will need to be agreed by the Diocesan Safeguarding Team. We need to keep in mind that those who have offended against children may always pose a risk.

SPECIFIC CHAPEL PROCEDURES

CHORISTERS COMING TO THE CHAPEL

Every boy should be accompanied through the security barrier, all the way to the Chapel by their parent. If a boy arrives unaccompanied, the Security Office will contact the Vestry and an authorized person will come and collect him. If a boy is due to come alone, parents must let the Chapel know in advance.

Parents who cannot bring their own boys may nominate another to do so, by completing and signing the appropriate form.

If a parent is unable to collect a boy due to an emergency, it is their responsibility to arrange alternative transport and to inform the chapel of this, and who will be collecting the boy.

HRP and the Chapel are not responsible for travel arrangements.

A member of Chapel Staff will conduct a register at the Chapel to ensure everyone is in attendance and no one is unaccounted for.

Parents are responsible for bringing and collecting of boys before and after services and practices. Boys will remain in the Choir Library with a chaperone until the person collecting him makes themselves known to the chaperone.

The Chapel has a *Choir Matron* who, in conjunction with the *Music & Choir Coordinator*, will oversee the implementation of these procedures. In addition parents may volunteer to become Parent Chaperones, whose duties will include collecting boys from the TCL barrier, and overseeing the boys in their robing room in the period between rehearsals and services on Sundays. All chaperones will have enhanced DBS checks.

A list of parents' names and contact details will be kept securely in the safe in the Song School, in case of need of emergency contact.

In conjunction with the *Matron* and *Music & Choir Coordinator*, Parent Chaperones will organize a written rota for weekdays and Sundays.

Boys are not to be alone within the TCL Barrier zone.

SUNDAYS

The procedure for boys arriving is as on weekdays: viz – they should be brought to the chapel.

In the period between the rehearsal and the service, either the *Choir Matron* or a *Parent Chaperone* will oversee the boys in their robing room.

Following the morning service, boys are to be collected by parents or by someone nominated by their parent (see above). Boys are not to remain in the chapel rooms or to be left in the palace unaccompanied.

As on weekdays, boys will remain in the Choir Library until they are collected by their parents (or one nominated by their parent, see above).

PARKING

Parents are permitted to park in the Barrack Block Car Park in order to attend services and deliver boys to and collect from choir practices. However, should that car park be full, they are permitted to drive up to Tennis Court Lane to do so.

ROSTERS

The *Choir Matron* will be in overall charge of the *Parent Chaperones*, and may appoint one or more as assistant Matrons. Written rosters will be drawn up by the *Matron, Music & Choir Coordinator* and *Parent Chaperones*, and will be held in the Vestry

CHOIR MATRON

The Choir Matron will normally be present on Sundays. However, on occasions when this is not possible, a Parent Chaperone nominated assistant matron will take her place.

WHILST ON SITE

Boys should not run around traffic or within the palace

A Choir Chaperone will remain with the Boys in the Robing Room and Choir Library.

Parents should inform the Chapel of any specific medication/allergies etc and ensure that the Choir Matron or Chaperone is able to administer this. Specific medication is kept by the Choir Matron.

A First Aid Kit is kept in the Robing Room and regularly checked

Boys are not to wander around Fountain Court.

Parents will congregate in the choir library with door left open during Tuesday and Friday Practices

Boys are not to be left alone in the Choir Library unsupervised

Choir Library restricted access on Sundays to essential personnel: Director of Music, the Organists, the Choir Gentlemen, The Chaplain, The Chapel Clerk, The Choir Matron and Chaperones, The Music Administrator and Choir Librarian. All must be DBS checked.

The WC in Vestry Court will be restricted to the use of Boys alone on occasions when they are present.

AGREEMENT

All parents will be given a copy of the safeguarding procedures and be required to sign an agreement that includes the above.

PHOTOGRAPHY

The Chapel occasionally takes photographs of the Choristers who are participating in organised activities for publicity purpose (including use online via official channels).

Permission will be sought from the supervising adult with parental responsibility for the child.

Photographs of the choir should not be posted on social media without permission from the Chaplain

It is neither possible nor desirable to prohibit members of the public taking photographs of the choir as a body. However should any visitor or member of the public appear to be taking photographs of boys in suspicious or inappropriate circumstances they should be challenged by a member of HRP staff and asked to delete the photographs containing children.

If a boy is protected for legal reasons under which the appearance of a photo including the said boy would break that restriction it is the duty of a parent or guardian to inform the Chapel when the boy becomes a member of the choir.

OUTSIDE TRIPS AND TOURS

Trips are accompanied by the Choir Chaperones and DBS checked adults, with a ratio of 1 adult to every 6 boys.

The Adults to keep documents such as Passports etc

Medication is deposited with the Choir Chaperone.

Boys are to walk in pairs.

Parents indicate allergies to the Chapel.

Menus are circulated beforehand and choices clearly indicated.

The Chapel to be alerted to allergies and medical issues.

A full risk assessment of the trip is completed and appropriate insurance in place.

E-SAFETY

The Chapel is committed to the safety of vulnerable adults, children and young people engaging in online and digital activities with HRP and online activity.

Mobile Phones and internet devices are not permitted whilst in the palace

If they have a phone with them, boys will deposit them in the Choir Library for the duration until they go home

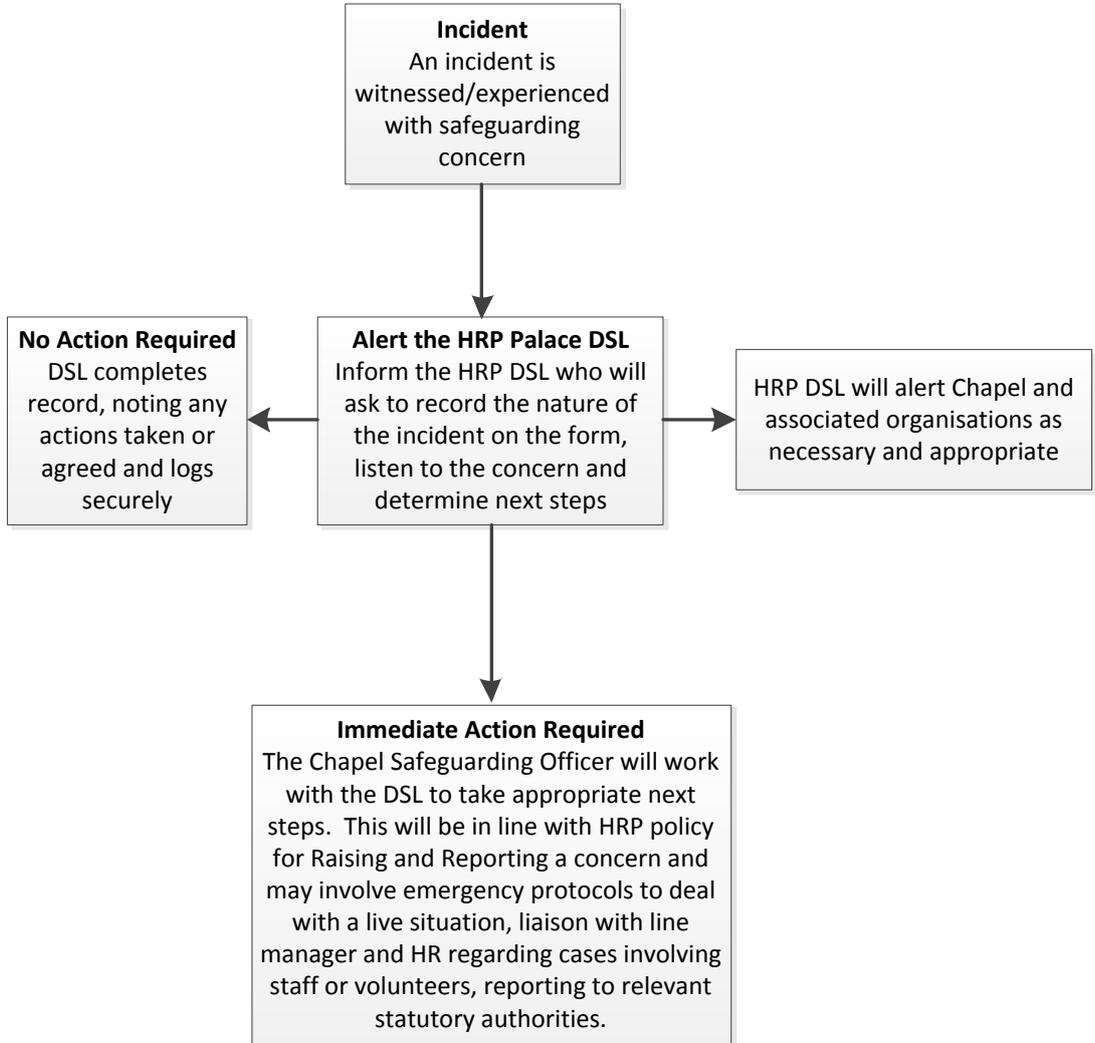

The Chapel reserves the right to check the phones of Choristers for any inappropriate internet activity.

VISITING CHOIRS

Visiting choirs will be expected to have in place safeguarding procedures as well as adhering to those of the Chapel.
