

# Selected BRI Projects Using UNECE Sustainable Development Goals

City/Project (Country)	Access & Equity	Responsibility / Skill Transfer	Economic Effectiveness / Transformation	Stakeholder Engagement	Environmental Sustainability & Resilience
Duisburg (Germany) <sup>(1)</sup>	✓	✓	✓	✓	✓
Hesteel (Serbia) <sup>(2)</sup>	✓	✓	✓	✓	?
Belgrade-Budapest (Serbia-Hungary) <sup>(3)</sup>	?	✓	✗	✗	?
Pireaus Port (Greece) <sup>(4)</sup>	✓	✓	✓	✓	✓
Kamchik Tunnel (Uzbekistan) <sup>(5)</sup>	✓	✓	?	✓	✓
Dhaka Stock Exchange (Bangladesh) <sup>(6)</sup>	✓	✗	✗	✓	✗

**Footnotes**

(1) Only limitation related to temporary low water levels (access) to the Rhine River

(2) Future growth could be limited by EC steel regulations

(3) Restrictions related to EU led to delays on Hungarian portion

(4) All excellent performance

(5) Near term tunnel usage not yet substantiated

(6) Near term losses could continue for some time before business strategy of attracting Chinese funds/product lines becomes effective
