She is also a graduate of the highly acclaimed and internationally accredited London Makeup School, and as such she has the skills and experience to make any day perfect for her brides.

Drawing on her personal experience in the industry, Christiane believes that working with brides is a huge honour and one of the most rewarding aspects of being a Makeup Artist. Choosing the right person to be with them on one of the most cherished days of their life is extremely important, and in addition to being highly skilled and knowledgeable, clients need a Makeup Artist who they can trust and feel at ease with.

To achieve this trust, long before their wedding Christiane will work with each bride to understand what the perfect look means to them; no two brides are the same, and everyone wants something different. For the unsure, Christiane provides her expert advice and can support any bride in her quest for perfection.

Constantly seeking excellence, Christiane is a great believer in the phrase *"never stop learning because life never stops teaching"*, and as such she regularly attends events such as London Fashion Week, the International Makeup Artist Show and product launches run by influential makeup brands. These events help her to keep abreast of the latest trends and products and to ensure that her clients are offered the very best advice.

Ultimately, whether it is glamorous or dramatic, natural or classic, Christiane Dowling is able to offer her brides and their loved ones the support and service they need to walk down the aisle with confidence.
