

'CINPAA' INTERNATIONAL COOPERATIVE
FOR TRAINING & CONSULTING

The training course:

POLICY STUDIES, MANAGEMENT STRATEGIES & LEADERSHIP IN THE AI ERA[©]

Paris, France
24- 28 Nov. 2025

OUR ACADEMIC PARTNERS:

Policy Studies, Management Strategies & Leadership in the AI Era©

PROGRAM OBJECTIVES:

By the end of the course, participants will be able to:

1. Understand the foundations of policy studies and their evaluation mechanisms.
2. Analyze and develop modern management strategies in the context of digital transformation.
3. Enhance leadership skills through transformational and emotional intelligence approaches.
4. Apply artificial intelligence tools and data analytics to support policymaking and decision-making.
5. Integrate policies, strategies, and leadership with innovation and sustainability requirements..

TARGET AUDIENCE:

- Executives and department managers.
- Decision-makers in the public and private sectors.
- Policy and management consultants and researchers.
- Emerging leaders aiming to adopt digital transformation.

PROGRAM MODULES :

Day 1: Policy Studies in the Digital Era

- Introduction to public policy and the role of data in policymaking.
- Policy lifecycle: formulation, implementation, evaluation.
- Policy analysis using AI tools and big data.

Day 2: Management Strategies and Institutional Transformation

- Strategic management in AI-driven organizations.
- Leading digital transformation and technology adoption.
- Smart governance and sustainability as pillars of modern management.

Day 3: Leadership in the Age of Artificial Intelligence

- Transformational leadership and emotional intelligence.
- The digital leader: managing virtual teams and advanced technologies.
- Decision-making in complex, data-driven environments.

Day 4: Practical Workshop

- Simulation: designing a policy or strategy using AI tools.
- Developing an institutional roadmap combining policy, strategy, and digital leadership.

Program Methodology:

Our programs are grounded in **modern pedagogical principles** that integrate theoretical knowledge with practical application, ensuring alignment with trainees' needs and the evolving demands of the professional environment.

Training methodologies include:

- **Interactive Workshops:** Based on real-life data analysis and group discussions to reinforce applied understanding.
- **Case Studies:** Featuring models from international institutions that highlight real success stories and challenges.
- **Realistic Simulations:** Participants engage in professional scenarios that mirror actual situations requiring decision-making and situational management.
- **Use of Advanced Tools and Technologies:** Hands-on application of modern training software and tools tailored to the specific nature of each field.

Certification

Upon successful completion of the program, participants will receive a **European-accredited certificate** issued by **CINPAA – Cooperative International for Training and Consulting**, an officially registered and accredited training institute in the **European Union, Spain**, and the **United Kingdom**.

This certificate is also recognized by our academic partners:

- **Camilo José Cela University**
- **ISDE – Law & Business School**

based on formal cooperation and accreditation agreements with these institutions. As a result, the certificate holds **international credibility and high professional value**, both locally and globally.

Sincerely,
CINPAA – Cooperative International for Training and Consulting.
