

## Welcome to City Church!

When you come to uni, getting stuck into a great church is an important step and we'd love you to join us for your time in Lancaster.

### About us:

City Church is a vibrant and growing church in Lancaster. Our vision, simply put, is to see lives transformed by Jesus. We do this by growing in 3 core areas of church life: **worshipping** God; loving one another and creating **community**; and preaching the **gospel**. We have a community that is growing in their love for God and what they know about Him and have been privileged to see dozens of people become Christians in the last couple of years.

We believe God has given us a bold vision to plant **10 churches** and be gathering a **1,000 people** as a church. This requires leadership to be developed, release of people to love and serve our community and lots of people telling their friends about the difference Jesus has made in their lives.

The whole of the Bible points to Jesus, He is the centre point of human history and our church; we worship Him in spirit and in truth. We are a 'word and spirit' church which means we believe that God powerfully meets people today through the Holy Spirit and that the Bible is the ultimate authority for our faith – these aren't mutually exclusive! Both of these are on full display in our church life.

Church is much more than a building and more than a Sunday meeting – it is a family of people who have been changed by Jesus. You, as a student, aren't an 'add-on' to the family – **you are our family**. I look forward to meeting you over the coming weeks and I pray that God blesses you richly whilst you are here in Lancaster.

Grace & peace to you,

Scott Lingard  
Lead Elder
