## A MESSAGE FROM OUR PRESIDENT

I hope you enjoyed taking part in this Quiz and I am delighted to advise that this raised £1,193.53 which was added to funds raised through other activities resulting in a cheque for £6,000 being handed over to the Lion Brain Tumour Research Appeal on 28th June.

This Charity is dear to the hearts of a number of our members who have seen members of their families affected by Brain Tumours and in some instances they actually died as a result of a Brain Tumour.

Across the UK, Lions Clubs have made a commitment to raise £1million to fund further Brain Tumour research. We set ourselves a target of raising a minimum of £2,740 during my year of office which ended with the draw as this is sufficient to pay for one day's research so I am delighted that we managed to fund two and a third day's research.

Thank you for buying our Quiz Sheet this year and helping us raise funds to support this appeal and I would also thank all our members for their hard work towards us reaching this brilliant total.

Many thanks

*Immediate Past President Lion Keith Blower*
