

LITTLE SWAN LAKE

Family performance, from 4 years

About learning to fly, floating on a silver lake and taking new steps for flocks of birds

Instead of the gracious swans, we might be expecting from this classical ballet, some other figures appear on stage, ready to spread their wings, dance on a silver lake and find the right steps for birds in formation. Join us for a delightful mix of classical Tchaikovsky music and joyous movement experiments celebrating individuality and diversity.

Claire Parsons performance LITTLE SWAN LAKE was commissioned by The Royal Dramatic Theater, Stockholm (SE).
