

Product Overview

A multi-purpose Antibacterial Hard Surface Cleaner with a fresh lilac fragrance that eliminates germs and leaves surfaces clean and delicately scented.

Key Features

- Infused with a fresh lilac fragrance for a soft, floral scent with every spray.
- Effectively eliminates bacteria and germs, keeping surfaces hygienically clean.
- Conforms to EN1276, EN1650 & EN14476. Tested by UKAS-accredited laboratories.
- Multi-surface cleaning power. Cuts through grease, grime, and everyday dirt on a wide range of hard surfaces, including countertops, tiles, and cookers.
- Dries quickly without leaving residue, ensuring a spotless, polished finish every time.

Directions For Use

Decant into a spray bottle for easy application.

Remove any loose dirt, food, or residue. Shake the product well before use.

For cleaning hard surfaces, spray the product directly onto the surface as a light film. Leave for one minute and wipe away with a clean, soft cloth, sponge, or paper towel.

For heavily soiled areas, repeat the process for optimal results.

After cleaning, ensure the surface is left to air dry. Do not rinse after use unless necessary.

Safety & Handling

WARNING

Keep out of reach of children.

Causes serious eye irritation. Harmful to aquatic life with long-lasting effects. Always wear protective gloves when handling.

IF IN EYES: Rinse cautiously with water for several minutes.

Remove contact lenses, if present and easy to do. Continue rinsing. If irritation persists, seek medical advice.

Do not ingest. **IF SWALLOWED:** Rinse mouth thoroughly with water. Give plenty of water to drink. Seek medical attention immediately if discomfort continues.

IF INHALED: Remove person to fresh air and keep warm and at a comfortable resting position comfortable for breathing. Seek medical attention immediately if discomfort continues.

IF ON SKIN: Rinse immediately with plenty of water and remove all the contaminated clothing.

HARD SURFACE CLEANER
