

Machine Offer

**KASTOtwin AE4**

**Ref no. 18549**

**Manufacturer: KastoTwin**

Model: AA 4

**Dimensions Approx:**

Length	2240 mm
Width	Min 2420 mm Max 2920 mm
Height	Min 1725 mm Max 1915 mm
Total weight Approx	2.200 kg
Total power approx.	8,0 kW
Power saw motor approx.	4,0 kW

**Cutting range approx.:**

Round Ø	400 mm
Square W x H	400x400 mm
Smallest possible diameter	Ø10 mm
Minimum cut-off length	6 mm
Min. remaining length, single cut	15 mm
Min. remaining length, auto. mode	80 mm
Material feed – single type	750 mm
Automatic multiple feed	20 000 mm
Maximum material weight	1000 kg/m

**Cutting speed standard:**

Inifinitely variable  
20-110 m/min (66-361 ft/min)  
option:  
Inifinitely variable  
40-150 m/min (131-492 ft/min)

Feed Rate:

Inifinitely variable

Material clamping:

Hydraulically, pression inifinitely variable from 20-60 bar

Saw Dimensions standard:

590x34x1,1 mm

option:

590x41x1,1 mm

Sawband guide:

Carbide, exchangeable mechanically with ratchet through easily exchangeable plastic brush, driven in dependence of the main drive.

Coolant

Supply through 2 coolant nozzles, approx. 100 l  
Pump capacity approx. 40l/min

Year: 2006
