

Our Service Price List 2023

Our Bespoke Service Charge

Each service we provide is bespoke, our service charge reflects some of our firm's overheads including all public liability insurances, bank charges, all necessary staff to conduct a funeral service and that of making arrangements and financing a funeral service on our client's behalf. It also includes the following services.

- The care of the deceased from our first contact until the day of the funeral service. The booking of a funeral service with the crematorium or church, contacting Clergy or Celebrants. The use of our chapel of rest and possible viewing facilities as required. All telephone calls, administration work, completing application forms, answering any enquiries and making any other arrangements connected with the funeral service, ordering service sheets, flowers, newspaper notices etc.
