Form 5

## Local trip Permission Form

Dear Parent or Guardian,

Due to the social and emotional needs of the children at Community Ed Academy, we regularly take trips outside of the school building to do active learning whilst at local events and locations within the community.

These trips will be within the Norfolk and Suffolk boundaries.

This form is given your permission for these activities to be undertaken at any time.

Please complete the details below and return the form to the school.

If any trips fall outside of the Norfolk/Suffolk area, a separate permission form will be issued.

Kind regards  
Sally Alden  
Headteacher

I give permission for ..... to attend school activities/trips.

I give my permission for .....to receive emergency medical treatment if needed.

In an emergency, please contact:
