If you are **professional**, i.e. working with a child or young person in formal or voluntary setting and not a family member, or member of the public, you can contact the Children's Advice and Duty Service on their direct line **0344 800 8021**

If you are a **member of the public** you can do this through Norfolk County Council's Customer Services on **0344 800 8020**

For any call raising concerns about a child, the Children's Advice and Duty Service will ask for:

- all details known to you/your agency about the child
- their family composition including siblings, and where possible extended family members and anyone important in the child's life
- the nature of the concern and how immediate it is
- any and what kind of work/support you have provided to the child or family to date
- **they will also need to know where the child is now and whether you have informed parents/carers of your concern**
