Welcome to the 2nd edition of Community-Ed student news...

Ice Skating!

On Tuesday 5th December we are taking both classes ice skating

Please ensure your young person dresses warmly and bring a coat.

Thanks to our new PE teacher Chloe, this week we entered our first school sports tournament - cup stacking at East Norfolk.

This event is part of many throughout the year, which aim to be fun and inclusive events - they are a great way to try new activities. Please encourage your young person to get involved.

This term in PSHE we are focussing our work around the subject of:
Boundaries

This is one of our six strands which we use to develop skills for social and emotional growth.

● Resilience ● Self-Regulation ● Respect ● Independence ● Boundaries ● Focus

Keep working hard for your WOWs you could win £30!

Super swimmers!

Swimming for both classes next week will be on Wednesday and will be our last time swimming until after Christmas.

Upcoming events:

The last week of term (11th -15th December) is very busy, staff have been working hard to organise an amazing week of fun activities:
