TERM 2
FEB 2024

Welcome to the 4th edition of Community-Ed student news...

**My favourite thing this half term has been...
Playing Basketball**

Staff are proud of me for settling in well to my new class, making new friends, and joining in with lots of activities.

Don't forget to bring back any library books so that they can be renewed.

At Community-Ed we have made some exciting improvements to our school website. We now have a parent and student support section. In this section you will find access to lots of different resources, such as websites around internet usage, online safety and mental health. We have included lots of links to really helpful websites that offer lots of information that we think could be of use. We have also included access to free webinars for parents and carers around such topics as sleep, mental health and improving attendance. We will look to update these pages so keep an eye out.

We are excited about our upcoming Student Progress Evening next term on Wednesday 6th March, between 4pm and 6pm. It will be a great chance to talk about the amazing things our students are doing in school and how we plan to continue to support and guide them for the rest of this academic year.

The Academy re-opens on the 26th February we look forward to seeing you back with us.

For PSHE the focus for this half term has been Resilience and students have been practicing their positive self-talk while trying new things. Next half term our topic is Focus and we'll be using our lessons to plan and carry out a garden project.

TERM 2
FEB 2024

Welcome to the 4th edition of Community-Ed student news...

English

'Next half term is set to be an exciting one in English! We will be kicking things off with our 'Dragons and Fantasy' scheme of work, which will begin with some dragon poetry and give students the chance to write their own. We will then read some fantastic fantasy fiction and begin to think about why fantasy authors write the way they do.

Students have worked really hard on their competition stories so far and will have an opportunity to finish and submit these! I am very proud of their efforts and cannot wait to see all the finished stories!

P.E

This half term we have taken part in kwik cricket, bowling, boccia, sports hall athletics, a sports festival and bowling. We came first in the kwik cricket tournament and the boys came home with gold medals from the athletics. Well done everyone! Next half terms competitions and events include: gymnastics, cross country and table cricket.

In Art we have been learning about Vincent van Gogh and students have made some lovely canvases using the impasto method which will be on display during our progress evening!

Term dates: 26th February - 27th March
Easter Holidays : 28th March - 12th April
Summer Term begins 15th April
