KARL LAGERFELD HOME FRAGRANCES

The design of this first collection is inspired by the “Karl Signature” motif represented by tone-on-tone monochromatic finishes which match the latest fashion trends of the season.

Each glass of the candles and each diffuser bottle is hand-tinted in exquisite colors with a matte finish and decorated with a shiny silk-screen Karl Signature. Crafted from the finest Italian glass in timeless, elegant shapes, they are suited to enhance the ambiance of any home.

7 Fragrances for 7 scented candles in 7 different hues and 7 reed diffusers each containing 7 natural wood sticks: Karl’s favorite number used to be 7!
