

Specs

Width: 9-3/4"
Height (Inches): 7.25
Color: Clear Acrylic
Application: Heating
Cooling
Features: For TH5000/TH6000/TH8000
Depth (Inches): 3-3/8"

Description for Honeywell TG512A1009

Product Overview:

- Enclose and protect wall thermostats against tampering, damage and unauthorized adjustment of thermostat settings

Product Features:

- Unique double-wall construction provides extra measure of tamper-resistance
- Used in both new and existing applications
- Tamper-resistant lock; key cannot be removed unless in locked position
- All models mount vertically or horizontally on wall or exposed junction box
- Vents in guard base allow airflow for optimum thermostat performance

Product Specifications:

- Description: Large Universal Thermostat Guard with clear cover and base, and opaque wallplate
- Size: Large
- Color: Clear Acrylic
- Ring Base Color: Clear Plastic
- Wallplate Color: Opaque Polystyrene
- Outside Height (in.): 7 1/4 in.
- Outside Height (mm): 184 mm
- Outside Width (in.): 9 3/4 in.
- Outside Width (mm): 248 mm
- Outside Depth (in.): 3 3/8 in.
- Outside Depth (mm): 86 mm

- Inside Height (in.): 5 7/8 in.
- Inside Height (mm): 149 mm
- Inside Width (in.): 8 3/8 in.
- Inside Width (mm): 213 mm
- Used With: TH5000 Series, TH6000 Series, TH8000 Series, Others Thermostats of Similar Size
