CUSTOMIZABLE DISPLAY

High-gloss frame and choice of display color makes the Wi-Fi 9000 ideal for discerning homeowners.

FASTER INSTALL AND EASIER SETUP

Redesigned terminal block no longer requires tools, and the plain-language on-screen setup process eliminates the need for a manual.

COMFORT INFORMATION AVAILABLE ON-SCREEN

Displays indoor and outdoor temperature and humidity information right on-screen.

UNIVERSAL APPLICATION ACROSS MORE SYSTEM TYPES

The Wi-Fi 9000 works with multiple systems, including heat pump, gas, oil, and electric, up to 3H/2C heat pump and 2H/2C conventional.

REMOTE COMFORT CONTROL VIA COMPUTER, TABLET OR SMARTPHONE

Your customers can easily monitor and manage home comfort from any device, anywhere with Honeywell's Total Connect Comfort app.

Comfort control anytime, anywhere

With Honeywell's Total Connect Comfort services, your customers can:

• View and change their HVAC system settings
• Get temperature alerts via email or free app
• Access multiple locations if more than one system is connected

Available on the **App Store**

Get it on **Google play**
