

Adventure - Built-in Refrigerator

TL41

The Top Loaded line, with vertical load, solves space problems related to hinged door opening without sacrificing storage capacity and refrigeration performance.

TL41 is particularly suitable for installation inside storage chests thanks to their very compact dimensions, the flat bottom and the removable cooling unit with 1.5 m length of power cable for maximum positioning flexibility. The refrigeration performance with operating temperatures from + 10 ° C -to -12 ° C make it an extremely versatile, solid and reliable products.

Technical features

Capacity (L)	41	Dimensions (HxWxD) (mm)	630x342x500
Net weight (kg)	14	Consumption (kWh/24h)	0,270
Voltage (V)	DC 12, DC 24	Power absorption (W)	45
Refrigerant gas	R134a	Climate class	ST
Battery protection	Yes	Certifications	CE, E-mark, EMC
