🎤 CALL FOR PAPERS & SPEAKERS — SHARE YOUR EXPERTISE WITH A GLOBAL AUDIENCE

Since 2006, **Copenhagen Compliance Group** has brought together decision-makers and experts to address the most timely issues in **AI, Governance, Risk Management, Compliance, Data Privacy, GDPR, Data Protection, IT and Cybersecurity**.

🌍 **We invite practitioners, executives, board members, academics and subject-matter experts to submit a paper, case study, presentation or proposal to speak at one of our global conferences.**

We are particularly interested in **practical, experience-based contributions** on:

• AI Governance, AI Risk & emerging AI issues
• GDPR, Data Privacy & Data Protection
• GRC, Risk Management & Compliance
• Cybersecurity & IT Governance
• Ethics, Integrity, CSR/ESG & Sustainability
• Anti-Bribery, Fraud & Financial Compliance
• Digital transformation, automation & compliance technology
• Audit, assurance, investigations & emerging risks

Bring your experience. Challenge conventional thinking. Share what works—and what doesn't.

Our conferences feature **keynotes, fireside chats, panels, and interactive sessions that connect global professionals to exchange ideas, practical solutions,** and new perspectives.
