The Committees on Health Research Ethics in the Capital Region of Denmark hereby certify, that above research project has been approved, and is registered to be completed on 1<sup>st</sup> October 2017.

Generally, an approved project is valid throughout the accepted period, and a regular confirmation of the approval does not take place. Unless otherwise stated, the approval includes all documents listed in the approval letter. **Extension of a study might be approved when applied for, at a later time.**

According to Danish law all health research taking place in Denmark must be approved by an Ethical Committee and must comply with Danish legislation. Please note, that "GCP" and "ICH-GCP" rules are only partially implemented in Danish law.

For additional inquiries, please contact the Secretariat for the Committees on Health Research Ethics in the Capital Region at +45 3866 6395 or by e-mail [vek@regionh.dk](mailto:vek@regionh.dk)
