## New sites

In June Akershus (Norway) started recruiting patients, a very warm welcome in SUP-ICU!

## Top recruiters

Top 5 overall recruiters in June were:

## Important information

- 1) Søren Marker Jensen has now taken over as the coordinating investigator of the SUP-ICU trial (email address in the bottom of the newsletter!)
- 2) Please remember to screen all patients fulfilling the inclusion criteria in the electronic case report form (eCRF) even if you know that one or more exclusion criteria is met, as this information is needed in the CONSORT diagram in the manuscript to come.
