To whom it may concern

On behalf on The North Denmark Region Committee on Health Research Ethics I hereby confirm that the Committee approved the project "*Handling oxygenation targets in adults with acute hypoxaemic respiratory failure in the intensive care unit: A randomised clinical trial of a lower versus a higher oxygenation target*", N-20170015, EudraCT: 2017-000632-34 on May the 22nd 2017.

Kind regards

Karina Ø. Schøler

Secretary

The North Denmark Region Committee on Health Research Ethics
