

Place in Site Master File #13f

HOT-ICU newsletter – March 2019

Thank you very much for your steady commitment to the HOT-ICU trial.

Status

We are very pleased to announce that this Sunday patient number 1464 in the HOT-ICU trial was randomised at the ICU in Roskilde, Denmark. This means that we have now passed 50% of the planned total number of inclusions. Very well done!

Top recruiters

Top five recruiters in February were:

1. Aarhus, ICU North (17)
2. Hillerød (14)
2. Køge (14)
4. Bispebjerg (11)
4. Aalborg (11)

Congratulation to all sites.

Things to highlight:

1. With the planned interim analysis coming up at follow-up day 90 of patient number 1464. **Please ensure that all data on every patient randomised up until March the 3rd 2019 are entered into the system with deadline on June 2nd 2019**

And as usual:

2. Please strive to screen all patients fulfilling the inclusion criteria as soon as possible after ICU admission
3. Please ensure that the specific e-mail notifications of major protocol violations are handled as soon as possible
4. Please check the site master file log (<http://www.cric.nu/hot-icu-log-for-site-master-file/>) regularly for updates

If you have any questions, do not hesitate to send an e-mail to hot-icu@cric.nu or to contact the HOT-ICU hotline (+45 2118 2543). Please **leave a message and your phone number if the call is not answered** and we will call you back as soon as possible. Please archive this newsletter in your site master file.

Best regards,

Bodil and Olav
