HOT-ICU newsletter – April 2019

Thank you very much for your steady commitment to the HOT-ICU trial.

Status

The trial is progressing steadily with 1582 patients included so far. In addition, a joined investigator meeting for 10-12 UK sites are planned in Cardiff on April the 12th. Trial initiation in the first UK sites are expected shortly hereafter.

Top recruiters

Top five recruiters in March were:

1. Aarhus, ICU North (12)
2. Rigshospitalet, dep. 4131 (10)
3. Aalborg (9)
4. Helsinki (8)
4. Hillerød (8)

Congratulation to all sites.

Things to highlight:

1. With the planned interim analysis coming up at follow-up day 90 of patient number 1464. **Please ensure that all data on every patient randomised up until March the 3rd 2019 are entered into the system within June 2nd 2019**
2. Please strive to screen all patients fulfilling the inclusion criteria as soon as possible after ICU admission
3. Please ensure that the specific e-mail notifications of major protocol violations are handled
4. Please check the site master file log (<http://www.cric.nu/hot-icu-log-for-site-master-file/>) regularly for updates
5. For Danish sites: a new version of the document "*Forsøgspersoners rettigheder...*" has been uploaded to the website: <http://www.cric.nu/hot-icu-forsogspersoners-rettigheder/>. Please ensure that henceforth, this version of the document is distributed with the information material to trial participants, next-of-kins, and trial guardians

If you have any questions, do not hesitate to send an e-mail to hot-icu@cric.nu or to contact the HOT-ICU hotline (+45 2118 2543). Please **leave a message and your phone number if the call is not answered** and we will call you back as soon as possible. Please archive this newsletter in your site master file.

Best regards,

Bodil and Olav
