Thank you very much for your steady commitment to the HOT-ICU trial.

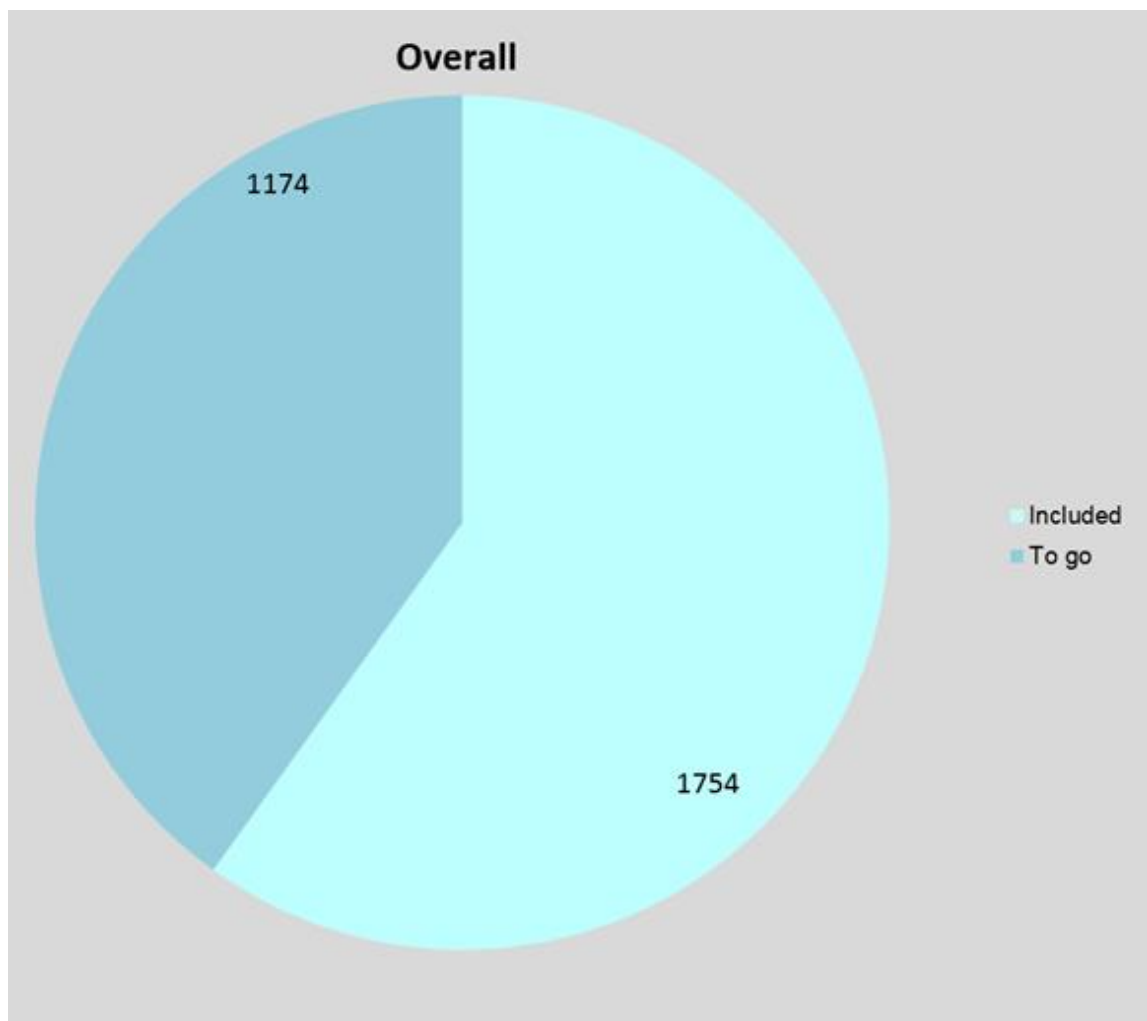

Status

With the upcoming interim analyses we urge all sites to enter data on patients included up until March 3rd 2019.

Please do this as soon as possible and no later than the 12th of June 2019. It is very important to ensure data completeness.

Cardiff is ready to start inclusion and we warmly welcome UK in the HOT-ICU trial. We expect 5-6 UK sites to participate in the trial.

The study is progressing steadily with a total of 1754 patients enrolled.
