AID-ICU newsletter – March/April 2019

STATUS

Patient no. 200 was included in the AID-ICU trial 28 April 2019 at Herlev ICU. Congratulation – AID-ICU cake is on its way!

We hope to increase the number of randomisations in the following months by welcoming new Danish and European sites and hope to see continuous inclusion from already active sites.

Remember to stay updated on your recruitment at **Cric.nu/aid-icu**. The graphs are updated two or three times during the week.

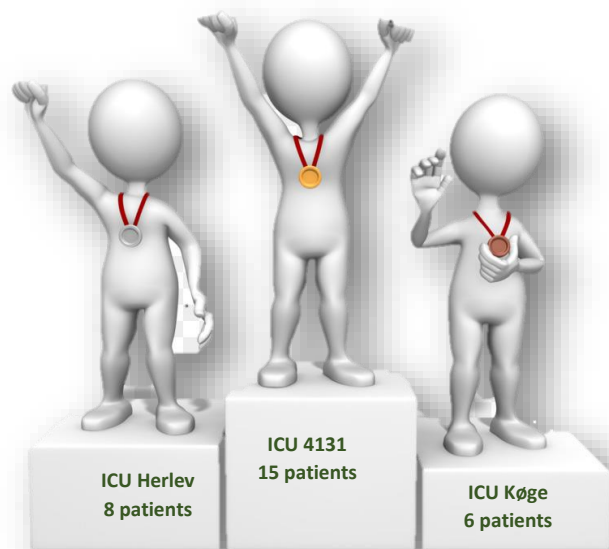

THIS PERIOD RECRUITER-CLIMBER:
